

The Power of Drawing!

classes
for **kids**

Young Rembrandts

at St. Valentine Catholic School

This winter, we will focus on basic design and the elements of composition as students draw “Fish Below Ice” and the “Great Wall of China”. If your child is fond of sports, he/she will enjoy drawing our illustration featuring a hockey player as it focuses rendering the human figure in action. Besides strengthening your child’s foundational drawing and coloring skills, we present a cultural art history lesson that features master artists - Leonardo Da Vinci and Franz Marc. Every student will have tons of fun drawing while learning valuable problem solving skills that last a lifetime!
