- B. Walk or bike ride home.

I _____, give my child(ren) listed below,

permission to walk or bike ride home unsupervised at 3:30pm regular dismissal/ 11:30am half day dismissal on any school day. I understand that in granting this permission the school staff is authorized to release my child at the school door at dismissal time. I also understand that my child must leave the school property and will not be allowed to linger on school property unless they are registered in an after school program, and have checked in with the supervising adult for that specific school activity. If my plans should change and my child needs to follow a different school dismissal arrangement, I will contact the school office with instructions for my child.
